Subject:- Organic Certificate.

Dear Sir,

Congratulations! You have been Granted NOP certification as per attached Certificate & annexure. I am giving below the following requirements, as a condition for continued certification, this included reminders that are important for you to keep in mind for next inspection.

Issue type	Issue	Respond By
Requirement	1. Before transaction of any organic material, please ask us for transaction certificate, along with transaction certificate request.	Before transaction of organic produce.
Requirement	2. Submit the annual update yearly along with OSP for Wild harvest.	Annually.
Requirement	3. Submit the Product reconciliation of organic products.	Annually.

If you have any question about the above requirements, contact us immediately for clarification. Failure to respond within the times indicated could jeopardize the continuation of your Certification.

Your certificate along with 'Inspection Report' and 'Farm Products Estimated Yield & Inventory List' with approved quantity is enclosed. Please, examine it carefully to be sure that all information is listed correctly.

Best Regards
